Dear Librarian,

I would like to request that you consider adding Piper Lawson's books to your library's collection. Her books are some of my favorites and I would love to be able to check them out from the library in the following formats:

✓	Format
	Paperback
	Audiobook
	Ebook

Piper Lawson is the *Wall Street Journal* and *USA Today* bestselling author of smart, steamy romance. She writes about women who follow their dreams (even the scary ones), best friends who know your dirty secrets (and love you anyway), and complex heroes you'll fall hard for (especially after talking with them). All her books are well reviewed!

Her books are available to order through Ingram, Baker & Taylor, and Overdrive.

On the next page is a list of ISBNs for all of Piper's books in ebook, paperback, and audio formats. I have placed checkmarks beside the titles that interest me most.

Thank you!
